

AAEA News

Selected Presentation Papers and Posters

Call for Abstracts

AAEA seeks submissions for Selected Presentations for the 2025 AAEA & WAEA Joint Annual Meeting in Denver, CO. Selected Presentations are a submission category that represents both Selected Papers and Selected Posters. All submissions are reviewed together, and only after acceptance, will the submissions be assigned as a paper or poster presentation. At the time of submission, individuals will have the option for their submission to be considered as a poster only. There is no paper only option.

Submissions for Selected Presentations must include a two-page maximum, single-spaced abstract that provides a clear explanation of what will be presented at the Annual Meeting. Authors should include in this abstract a discussion of the relevance of the topic, research methodology, and potential for generating discussion during the meeting. Please *do not include your name, contact information, and sources in the abstract file*.

Abstracts must be received by **January 15, 2025, at 11:59 pm CST**, and must be submitted using AAEA's online Abstract Management System (*which will open in early November*). Material previously presented at other meetings cannot be accepted, and the submitting author will be asked to verify that the material has not been presented elsewhere. When entering the title of your abstract, please be sure to submit the title as you would like it to appear in the program – with proper title capitalization and punctuation.

When submitting your abstract to the abstract system you will need to select three subject codes. The first subject code you select is the subject your abstract will be grouped in when being reviewed. This is an important step as it ensures your abstract will be reviewed by those with expertise in that particular subject. The second or third selected subject code may be used later during the scheduling process if your abstract is accepted.

To assist you with selecting a subject code the Selected Presentations Committee has created [keywords for each of the subject codes](#). We recommend you refer to the keywords for subject codes to help you determine the appropriate subject code for your submission.

If accepted, sessions are comprised of abstracts with the same subject codes. All accepted abstracts will be presented in person only.

Review Process

All submissions will be subjected to a common, double-blind review process. After the review process has been completed, topic leaders will construct coherent Selected Paper Sessions and Lightning Sessions based on a common topic. All remaining accepted presentations will be assigned as posters. Presentation proposal acceptance notifications will be sent via email from the AAEA Business Office in late March. Emails may be received in spam folders. Should you not find an email by mid-April, please feel free to contact the AAEA Business Office at info@aaea.org or at (414) 918-3190.

Posters

Poster authors should be available during their assigned intervals during the meeting for questions and discussion. The event program and mobile app will list the poster titles, authors, locations, and presentation time. Poster presenters must submit a PDF version of their poster to the AAEA submission site by **May 14, 2025**. Uploads must be below 4 MB in size to be uploaded. AAEA will upload these posters to the AgEcon Search. Posters that miss this deadline will be withdrawn from the program.

Selected Paper Sessions and Lightning Sessions

Up to 8 papers are included in a 90-minute Lightning Session, and up to 4 papers are included in a 90-minute Selected Paper Session. Therefore, each paper presentation in a Lightning Session is allotted 9 minutes, with 7 minutes to present and 2 minutes for discussion. Likewise, each presentation in a Selected Paper Session is allotted 20 minutes, with 15 minutes for presentation and 5 minutes for discussion.

Authors of Selected Papers must submit a full PDF version of their paper to the AAEA submission site by **May 14, 2025**. You may submit an updated version later. Uploads must be below 4 MB in size to be uploaded. AAEA will upload these papers to the AgEcon Search. Papers that miss this deadline will be withdrawn from the program. The full version of the paper has no length limitations, but less than 25 pages is preferred. Double-spaced, 8.5 by 11-inch, single-sided format is requested. Please follow the *American Journal of Agricultural Economics* style guidelines, apart from the single table/figure per page convention.

Additional Important Information

If accepted, presenters of papers and/or posters must be a current 2025 member of AAEA and registered for the 2025 AAEA & WAEA Joint Annual Meeting **by May 14, 2025**. Presenters who miss this deadline will be withdrawn from the program. If your institution will be registering you for the annual meeting, please be sure to notify them of this deadline to ensure that you are registered by the deadline.

The Abstract Management System will open in early November.

Invited Paper Sessions**Call for Proposals:**

AAEA welcomes proposals for Invited Paper sessions for the 2025 AAEA & WAEA Joint Annual Meeting in Denver, CO. Papers in these Invited Paper sessions may be published in the *Applied Economics Perspectives and Policy (AEPP)* in March 2026, subject to review. Proposals from individuals or groups need to be submitted using the online submission system by **December 4, 2024**.

The system will open in early November.

The most successful invited papers frame new areas of research, provide a systematic review of an existing area, or offer a novel perspective.

Proposed session formats must include either two papers with two discussants or three papers with one discussant. Four paper sessions will not be considered.

Proposals will be evaluated using the following criteria:

- The proposed session supports the objective of the Association to further the development and dissemination of systematic knowledge of agricultural and applied economics;
- The importance of the session is well-justified;
- The proposed papers are timely and the topics are likely to generate meaningful discussion during the presentation, as well as interest in a published version;
- It is likely that the session format will be conducive to a clear, focused, and informative presentation of the topics proposed;
- The session theme and paper topics are not repetitive of themes and/or topics previously addressed in Invited Paper sessions;
- The set of sessions will appeal to a broad spectrum of the membership.

All presenters must present in-person.

Proposals should include session title and rationale, two-page abstracts and titles for each proposed presentation, and names and contact information of authors, discussants, and moderators.

Final versions of the invited papers must be submitted to AAEA by **May 14, 2025**. If the authors wish the invited paper to be reviewed for publication in the *AEPP*, it should also be submitted to the *AEPP* Editors via Editorial Express by **August 25, 2025**.

Note: Specific Track Sessions can also be considered as Invited Paper sessions. These sessions need to be submitted through the abstract submission system as an Invited Paper session (see the call for Invited Paper Sessions for more information), and included with the initial Track Session proposals due in December, with an indication that it has also been submitted as an Invited Paper Session. If the proposed Invited Paper session is not accepted, it will still be included as a traditional Track Session.

Please visit the [AAEA Annual Meeting Website](#) for more information about the annual meeting.

If you have any questions about submitting an Invited Paper session proposal, please contact Mary Annen at mannen@aaea.org or at (414) 918-3190.

Track Sessions sponsored by AAEA Sections

Call for Proposals

The AAEA Executive Board invites Track Session proposals for the 2025 AAEA & WAEA Joint Annual Meeting in Denver, Colorado. Initial proposals need to be submitted by **Wednesday, December 4, 2024**, to AAEA's online submission system. The system will open in early November. Final, detailed submissions associated with each session are due by **March 10, 2025**. The AAEA Business Office will work with each Section that submits proposals on their final submission.

Tracks are a set of multiple sessions submitted by AAEA Sections, scheduled throughout the meeting and devoted to a common interest area or topic. The AAEA President determines the number of sessions allocated to each section. All Section leaders have been notified of their 2025 allocations.

Section leaders are responsible for managing and submitting Track Session proposals. If you are interested in submitting a proposal for a Track Session, please contact the chair of the Section for more information about the session topics that they are seeking. Proposals submitted to the AAEA Business Office by an individual will be referred back to the Section for approval and official submission.

Specific Track Sessions can also be considered as Invited Paper sessions. These sessions need to be submitted through the online submission system as an Invited Paper session (see the call for Invited Paper Sessions for more information), and included with the initial Track Session proposals due in December, with an indication that it has also been submitted as an Invited Paper Session. If the proposed Invited Paper session is not accepted, it will still be included as a traditional Track Session.

Please visit the [2025 AAEA & WAEA Joint Annual Meeting website](#) for more information about the annual meeting.

Please contact Jessica Weister at jweister@aaea.org or (414) 918-3190 if you have any other questions about submitting or participating in a Track Session.

Case Studies

Call for Proposals:

AAEA welcomes proposals for Case Studies for the 2025 AAEA & WAEA Joint Annual Meeting in Denver, CO. Cases in this Invited Paper session may be published in the *Applied Economics Teaching Resources (AETR)* in January 2026, subject to review. Proposals from individuals or groups need to be submitted using AAEA's online submission system by **11:59 pm CST on December 4, 2024**.

The system will open in early November.

Proposals are requested for case studies that show how the application of economic principles to decision making in the public and/or private sectors leads to better decisions. Any topic area that illustrates the application of economic principles is acceptable. Topic areas focusing on emerging issues such as: renewable ingredients, energy economics, food safety, and company environmental policies (e.g., green scorecard) are encouraged.

Proposals will be evaluated using the following criteria:

- Deals with a problem that has a high level of importance/interest/relevancy to members of AAEA
- Clear and concise teaching objective(s) and target audience(s) (e.g. undergraduate students, graduate students, extension audiences)
- Case summary that presents solutions and explanations of how the learning objectives are realized
- Leads to a better understanding of how the application of economic principles improves decision making
- A general description of the teaching plan for presenting the case to include expected student use of reference materials

Proposals should include case title, names, contact information of the authors, and a case outline that covers the company or situation profiled, as well as a detailed outline for the case study. The outline should be 3–5 pages in length and a maximum of 2,000 words. The proposal must also contain an outline and ideas for a teaching note, although the teaching note will not be published with the case. Of the cases submitted, three winning case submissions will be accepted for presentation at the AAEA meetings by **March 31, 2025**.

Selected case studies (with teaching note when applicable) should be completed by **Wednesday, April 8, 2024**. These completed versions will be reviewed by the invited case study committee, and feedback to improve the cases will be provided to the author(s). Final versions of the cases must be submitted to AAEA by **Wednesday, May 14, 2025**. If the authors wish the case study to be reviewed for publication in the *AETR*, it should also be submitted to the *AETR* Editor by **Wednesday, May 14, 2025**. Accepted papers will carry a footnote that indicates they were subject to an expedited review process.

Examples of appropriate cases can be found in the agricultural and applied economics literature including the *American Journal of Agricultural Economics* (issues 94 (2) and 93 (2)), *International Food and Agribusiness Management Review* and the *Journal of the Food Distribution Research Society*. There are many ways to write a case. One set of guidelines for decision cases can be found at:

<https://www.ifama.org/publications/journal/vol3/cmsdocs/369-379.pdf>.

If you have any questions about submitting a Case Study Proposal, please contact Michael Storey at mstorey@aaea.org or at (414) 918-3190.

Organized Symposia

Call for Proposals:

AAEA seeks submissions for Organized Symposia for the 2025 AAEA & WAEA Joint Annual Meeting in Denver, CO. Proposals are due by **January 15, 2025**, and should be submitted using AAEA's online submission system.

The system will open in early November.

Organized Symposium sessions highlight ideas or works-in-progress on a topic involving cooperative or competing efforts by two or more panelists. Symposia may involve panel discussions of prepared questions, debates, roundtable meetings, or other formats. Formal paper presentations are discouraged, nonetheless if such presentations are proposed, the organizer should explain how they will fit into a tightly coherent theme. In all cases, at least half of the session time should be reserved for discussion among the panelists and between the panelists and the audience.

Symposia may offer discussions of policy issues, research methods, emerging research results, teaching or outreach topics, issues in professional organization, or other matters. Proposals should include: session title, session rationale, names and contact information for the organizer and other participants, and a description of the symposium format that includes plans for discussion.

At least one proposer for the organized symposium must be a member of AAEA, and all presenters, speakers, and/or discussants at the Annual Meeting must be members of AAEA and registered for the Annual Meeting by **May 14, 2025**.

All presenters must present in-person.

If you have any questions about submitting an Organized Symposia session proposal, please contact Mary Annen at mannen@aaea.org or at (414) 918-3190.

Please visit the [AAEA Annual Meeting Website](#) for more information about the annual meeting.

Pre- and Post-conference Workshops

Call for Proposals:

The AAEA Executive Board invites proposals for Pre- and Post-conference Workshops at the [2025 AAEA & WAEA Joint Annual Meeting](#) in Denver, CO. The deadline for proposals is **December 2**. Selections will be finalized at the AAEA Executive Board meeting in early January and organizers will be notified soon thereafter by the AAEA President.

Submissions will be judged on the merits of the proposal and the space and time available at the Annual Meeting. Organizers will work with the AAEA Business Office to develop a budget for final approval at the January Board meeting.

Proposals should be submitted using the [Pre- and Post-conference Workshop Proposal Form](#) available on the AAEA website, <https://www.aaea.org/meetings>, Title of proposed session and the proposed date and time that the workshop would take place (potential dates include Saturday, July 26, and Wednesday, July 30).

Proposals should include:

1. Objectives of the workshop, as well as the timeliness of the subject and why the content of the workshop is relevant to AAEA members/meeting attendees
2. Potential speakers, presenters, or panel members, and the total time required for these presentations
3. Intended audience and expected attendance at the workshop
4. Contact information for organizers in charge of overall development and coordination (complete addresses, phone numbers, and e-mail addresses)
5. Complete budget information, which includes: financial support expected, speaker travel expenses, stipends, and honoraria, catering needs, administrative fees, and other income and costs. Detailed information will be needed, including any catering requests (e.g. boxed lunches, buffet, coffee breaks, etc.), so that a registration fee for the workshop can be determined
6. Any requests for membership and/or registration fee waivers that may be required in order to properly conduct the workshop
7. Any special software or electronic needs, including if the attendees will be required to bring a laptop

Incomplete proposals cannot be considered. Please include as much information as needed when submitting; there is no minimum or maximum length for the proposal.

Submit proposals using the [Pre- and Post-conference Workshop Proposal Form](#) available on the AAEA website, <https://www.aaea.org/meetings> by **December 2, 2024**.

If you have any questions about submitting a proposal, please contact Mary Annen at mannen@aaea.org or at (414) 918-3190.

Choices Magazine: Article Highlight[U.S. Agricultural Trade Challenges Amid Climate and Geopolitical Disruptions](#)

Raghav Goyal, Sandro Steinbach, Yasin Yildirim, and Xiting Zhuang

We discuss the impact of climate events and geopolitical disruptions on U.S. agricultural trade, highlighting the vulnerabilities to droughts and shipping blockades affecting key transport routes like the Mississippi River and the Panama Canal. We stress the need for adaptive strategies to safeguard global market access.

Listening to the Diverse Voices of AAEA

In this webinar, we'll hear from our panelists about their stories—where they are in their career now, how they got there professionally, and what experiences or forces shaped them and their career that might not be evident from their CVs or résumés.

When: Friday, November 08, 2:00 PM – 3:00 PM (Central Time)

Format: Zoom

Agenda: Each panelist will be given approximately 10 minutes to share their story. Additional time is reserved for audience Q&A and moderator questions.

Panelists:

- Amelia Finaret, *Associate Professor of Global Health and Economics, Allegheny College*
- Michée Lachaud, *Associate Professor, Florida A&M University*
- Richard Gallenstein, *Associate Professor of Economics, Catholic University of America*

Moderator: Alicia Rosburg, *Department Head & Professor of Economics, University of Northern Iowa* (AAEA Mentorship Committee member)

Register here:

<https://us06web.zoom.us/meeting/register/tZUqdO2qrz8pGNVpXu8Csi4w4DXW7d6gkA8S#/registration>

Note that space is limited. If at anytime you find out that you can no longer attend the webinar, please email us at info@aaea.org to cancel so we may better accommodate pending registrations. Any pending registrants will be reviewed during the time of the webinar in the event there is room.

This webinar series was started in 2020 by the AAEA Mentorship Committee to provide an opportunity for AAEA members to share their diverse experiences, career paths, and backgrounds and for others to learn from their experience. Recordings of previous webinars in this series are available on [AAEA's YouTube channel](#) (search within the channel for "diverse voices").

2024 Virtual Health Economic Seminar

Featuring Noémi Berlin (University Paris Nanterre), and Lyudmyla (Lucy) Kompaniyets (Centers for Disease Control and Prevention)

Noémi and Lyudmyla (Lucy) will present research on the influence of external factors on dietary behaviors and obesity. Below, you will find abstracts for both presentations for your convenience.

Date and Time: Friday, November 8th, from 11 AM to 12 PM EST

To obtain the Zoom link, please register for the webinar using the link below:

<https://purdue-edu.zoom.us/meeting/register/tjwoduGpqzwiGNUts4a22tDarfoNPcInF6OE>

“Children as Receptors and Messengers for Health Education” (ERMES project)

Presenter: Noémi Berlin, CNRS (French National Center for Scientific Research) researcher affiliated with the University Paris Nanterre, EconomiX

This interdisciplinary project brings together humanities and social sciences (anthropology, sociology, education sciences), behavioral sciences (psychology, decision sciences, behavioral economics), and computer science (machine learning, knowledge representation). ERMES seeks to understand how children transmit food-related messages and the effects of peer education on eating behaviors compared to traditional teacher-led education.

The presentation will focus on an upcoming randomized controlled trial (RCT) scheduled for 2025–2026 in 10 elementary schools. The study will evaluate the impact of promoting fruit and vegetable consumption using different sources (peer vs. teacher) and content (health-focused vs. environmentally-sensitive) on children’s knowledge, eating intentions, message transmission to parents, and actual eating behaviors in school canteens.

“COVID-19 pandemic on body mass index among US children and adults”

Presenter: Lyudmyla (Lucy) Kompaniyets, senior health economist at the Division of Nutrition, Physical Activity, and Obesity, Centers for Disease Control and Prevention.

This research analyzes body mass index (BMI) trends among U.S. children and adults before and during the COVID-19 pandemic, using deidentified data from IQVIA’s Ambulatory Electronic Medical Records database. The study examines changes in BMI using mixed effects models to compare pre-pandemic (before March

2020) and pandemic periods (after March 2020).

In a cohort of 4.25 million adults aged 18–84, the average weight gain during the first year of the pandemic (March 2020–March 2021) was modest (0.1 kg).

Among children aged 2–19 years, the rate of BMI increase doubled during the pandemic, particularly in those already affected by overweight or obesity. However, follow-up data through November 2021 showed that BMI increases slowed, though childhood obesity prevalence remained high at 22.5%, highlighting the importance of healthy lifestyle interventions, particularly among US children.

On behalf of the AAEA's Health Economics Section (HES)

AJAE Editorship Applications

Call for Applications

Editorship appointments for the American Journal of Agricultural Economics are staggered such that two new appointments are made every two years. The AAEA Board now seeks a diverse group of applicants at the full professor level (or equivalent) by the start of the appointment for two co-editors to be appointed to replace current co-editors Jesse Tack and Rudy Nayga for a four-year term beginning in January 2026. Each co-editor handles approximately one-fourth of the submitted manuscripts and makes independent editorial decisions on these submissions. The degree to which candidate's expertise complements that of continuing editors Nicholas Magnan and Christian Langpap will be considered in the selection process.

In addition, editors share the administrative responsibilities of managing the AJAE. Each editor should plan to dedicate up to 25 percent of his/her time to AJAE editorial duties. AAEA will provide financial assistance to defray some portion of the editors' time and most expenses.

Transition Timing

The AAEA Board will make final selections by early 2025. The new editors should be prepared to begin the transition process at the 2025 AAEA & WAEA Joint Annual Meeting in Denver, CO, July 27–29, 2025 and expect to be fully engaged in editorial duties by January 1, 2026. Interested candidates can consult the journal website for information on the journal at <https://onlinelibrary.wiley.com/journal/14678276>.

Please note that all editors need to maintain their AAEA membership throughout their service to the journal.

Applications

Applications should include:

- a brief statement expressing interest which should include applicant's areas of expertise and editorial philosophy for the AJAE,
- curriculum vitae (including descriptions of previous editorial work),
- statements of administrative support from the candidate's department chair, dean or other appropriate administrative officer.

Applications should be sent electronically via PDF to Allison Ware, Senior Communications & Membership Manager, at aware@aaea.org by **November 29, 2024**. Nominations of potentially interested candidates who can then be solicited for their materials are also welcome.

Gund Institute for Environment Funded PhD Opportunities

The Gund Institute for Environment at the University of Vermont (UVM) seeks exceptional PhD applicants to conduct interdisciplinary research on global environmental challenges beginning in fall 2025. Applications are due **January 5, 2025**.

The Gund Institute is a research center dedicated to understanding and tackling the world's most critical environmental challenges, where over 250 faculty, global affiliates, postdocs, and graduate students collaborate widely to understand interactions among ecological, social, and economic systems.

Driven by the belief that research should inspire action, we explore environmental issues at the interface of five pressing research themes—climate solutions, health and well-being, sustainable agriculture, resilient communities, and equity and justice—in partnership with government, industry, and broader society.

We are committed to ensuring an inclusive environment where diverse voices and perspectives are active and welcome. We encourage applicants who bring diverse perspectives to our community.

Students will receive up to four years of funding, including an annual stipend of \$35,000, plus tuition. All students are eligible for health insurance and additional funds for conference travel and research costs.

For more details and application instructions, explore uvm.edu/gund/gund-phd-research-fellowships.

Call for paper proposals

The NCCC-134 Multi-state Research Coordinating Committee on Applied Commodity Price Analysis, Forecasting, and Market Risk Management invites paper proposals for presentation at its upcoming conference to be held April 14-15, 2025 in Chicago, Illinois. We are excited to bring this conference back to Chicago, a hub of global commodities trading, for the first time since 2007.

We encourage paper proposals on all aspects of commodity price analysis and risk management, especially those related to agricultural commodities and agribusiness risk management. Proposed papers should emphasize applied research. The deadline for submissions is **November 22, 2024**. The Committee will notify all submitting authors of their decision by January 2025. One author must be registered for the meeting by February 1, 2025. Completed papers are due on June 1, 2025 for posting in the NCCC-134 paper archive.

Full instructions on how to submit a proposal, including format and a sample proposal, plus other information about the 2025 conference can be found on the [updated NCCC-134 website](#). Venue and hotel details will be posted soon. Questions about paper proposal submissions can be directed to NCCC-134 co-chair [Andres Trujillo-Barrera](#). Questions about meeting logistics can be directed to NCCC-134 co-chair [Joe Janzen](#).

Please share this call widely and encourage your colleagues, collaborators, and graduate students to submit and attend the conference. More information on how to connect with NCCC-134 can be found on our [website](#).

See you in Chicago in 2025!
